As your Chamber's trusted partners, the Chamber Energy Program and Chamber Sustainability Program strive to provide education and protection in everything we do. We help chamber members **lower their supply rates** and **maximize their efficiency project return on investment** using a wide array of available federal, state, and local rebates, grants, incentives, and other funding options. With current funding available, your projects could be immediately cash-positive.

Get started with a free utility bill review by filling out and returning the back of this flyer to billreview@ceateam.com
